MARCH HAPPENINGS AT NCT

Keep your calendars clear; we have a lot happening that you won't want to miss!

MARCH MADNESS ZONE

Begins March 10th
WiFi Lounge

The place to be during March at the Tower is our March Madness Zone. This year, during the SEC & American Athletic Conference tournaments and into the National Championship tournament, the daytime games will be shown on one of the two televisions in our WiFi area located in the South Lobby. In the event that any of our local teams are playing, both televisions will be tuned in and special refreshments will be provided.

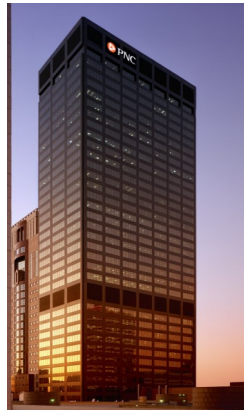

This year the American Athletic Conference tournament begins on March 10th and ends on the 14th. The SEC Tournament begins on March 11th and runs through the 15th and the National Championship tournament begins with Selection Sunday on the 15th.

NCT will hold a special drawing in the lounge for a chance to win either UK or UL fan merchandise. The drawing will take place on March 27th at 12:00 noon. Stop by the lounge area to fill out your entry form. *You must work within the Tower to be eligible; one entry per person, please.*

NEW OWNERSHIP AT NCT!

We are pleased to share with you that effective Friday, February 13, 2015, DB Oak Barrel LLC has purchased National City Tower. Our team is remaining with Cassidy Turley Commercial Real Estate Services, Inc. d/b/a/ DTZ, the property management company for the building and looks forward to continuing to work with all of you.

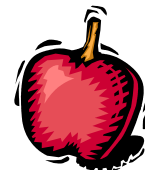

We remain at the same phone number, 502.589.4280, and in the same office space, Suite 1640.

Perk-Up

FIGHT FOR AIR CLIMB = BIG SUCCESS

Louisville's Fight For Air Climb was a big success at National City Tower on February 7th. National City Tower teamed up with the American Lung Association to host the city's vertical, timed climb up the building's 38 flights of stairs. The event raised money to improve lung health and prevent lung disease through education, advocacy and research. The American Lung Association raised over \$52,000 for the cause.

For more information about lung health and how you can get involved, please visit:
www.fightforairclimb.org

BUILDING TORNADO DRILL: 3.18.15

In the United States, "tornado season" generally is in the spring from April through July, with May and June being the peak months. In order to prepare for this severe weather, NCT will hold their annual tornado drill on **March 18th**. Specific information will be provided via desk drop about the drill later in the month.

Keeping citizens informed.

Louisville Metro Government has initiated a citywide system called Code Red to keep citizens updated during emergencies. The system uses a variety of methods including text alerts, emails and phone calls to warn citizens about potentially life-threatening events, including severe weather.

When a tornado warning is sounded, please follow these building procedures:

- ◆ Move away from the perimeter of the building and any part of your work area where there is glass.
- ◆ Go to the center corridor of the building and sit down.
- ◆ Do not get on the elevators. Stay where you are until the danger has passed.
- ◆ Do not go to the lobby.
- ◆ In the event of a broadcast of a tornado warning in our immediate area, a warning will be announced on the public address system within the building.
- ◆ After an "all clear" has been sounded, check for any possible injuries, and take appropriate action.

To get more information and to sign up for the alerts simply scan the QR code to the left or visit www.louisvilleky.gov.

KFC YUM! CENTER TO HOST 2ND & 3RD ROUNDS OF THE NCAA TOURNAMENT

Downtown Louisville will be the place to be March 19th through the 21st as the KFC YUM! Center and the University of Louisville hosts a portion of the 2nd and 3rd rounds of the NCAA Men's Basketball Tournament.

Please be advised that some of these are daytime games, so plan accordingly as traffic patterns may be interrupted.
